

TUMBLING AT SHARKS

Tumbling is an important part of competitive cheerleading. The term tumbling is used to describe gymnastic elements such as cartwheels and back handsprings. Our tumbling packages are designed for athletes who are serious about advancing in the sport. If your athlete loves tumbling and cheerleading – they should be training their skills with our coaches who know the sport of cheerleading inside and out. Local gymnastics clubs do not offer the same level of expertise in cheerleading specific tumbling. Athletes training with a tumbling package at Sharks advance their skills much quicker.

For families wishing to purchase a yearly tumbling package, the schedule will be available as of Friday June 1st to view. Book all your lessons on Saturday June 9th as of 9:00AM through Amilia. There are many benefits to being a package holder, including a savings of 10-15%, a consistent schedule with a level appropriate coach, a progress report half way throughout the season. A semi-private is a 45 minute lesson with a maximum two athletes per coach. If only one athlete is registered or attends, it then becomes a 30 minute private lesson. The additional 15 minutes of the semi-private lessons may be purchased for an additional \$10 + hst. Will only be determined the day of through the coach.
