

**SEMI-PRIVATE/PRIVATE TUMBLING LESSONS & CLINICS
CANCELLATION POLICY**

Please understand that if you forget, cancel, or change any tumbling lesson/clinic without giving enough notice, the opportunity is missed to fill that time slot and other families miss the chance to book that lesson. Any class missed, late cancelled, or changed without 7 days notice will result in a charge equal to 100% of the reserved time slot. The class may be taken off of a tumbling package or charged individually. Any late arrival will shorten the class time and will not be made up by running into the next lessons scheduled slot. We recommend and encourage you to try and sell the time slot to another athlete if you are able to. All and any interactions to do will fees and times will be your responsibility to communicate to the family who approaches you about the class. Cheer Sport is not responsible for any miscommunications of lesson times or exchanging of funds. If the lesson is a restricted class it must be sold to another restricted level athlete.

Emergency absences will be considered on an individual basis by Cheer Sport Sharks. We will make the decision to honor your request on a case-by-case scenario and will respond back to you in writing within 7 days.

It is mutually understood that if a cancellation is due to circumstances beyond any of our control that requires us to have to cancel or be closed during regular business hours we will reschedule the existing class at no extra cost.
